Johnnie Borah of Grinnell spent Sunday in Wa-Keeney.

Last Tuesday evening Mr. and Mrs. J. C. Cortright and Vernon Reppert very pleasantly entertained the Senior boys and Mr. Niesley at a rook party at the Cortright home. After some very exciting games, the boys were invited to the dining room where a delicious three course supper was served. After supper they were entertained with some of the latest selections on the graphonola, which were very pleasing. The boys report a great time.

Friday, April 10th, will be "school meetin' day" in Wa-Keeney. And, by the way the new form of printed notice of the annual meeting—being so different from the old, familiar form—attracts more than usual attention. It also arouses some curiosity (as well as comment) on the part of those who take the trouble to read the notice, particularly because the printed part of the notice and explanation refers to the rate of tax levy which may be made. There is no cause for alarm. The new form of notice simply enables the people to comply with the later tax laws. However, since our heaviest taxes are those we vote upon ourselves (or allow our neighbors to vote upon us) every voter should attend the annual school meeting, and thereafter hold their peace. Being present, if anybody "puts one over" on him, he will at least know how it was done.

This is the time of the year for real maple syrup but recent news from Michigan "orchards" indicates that the crop will be very short and the price rather high. They had a short "run" of "sap" about the middle of March. It was the first run of the season and, being late in the spring, farmers hardly hoped for another. They attribute the short crop to dry weather. We western Kansas people can console ourselves that ours are not the only crops affected by drouth.

Ben Rogers writes from Sultan, Wash., as follows: Please change address on my paper to Sultan. The following is the cast of characters in the play "Peg O' My Heart", which is to be given Saturday evening. McConnell, principal city school and basket ball coach; Miss Betz, English teacher; Miss Starkweather, teacher of music and drawing; Ben Smith, county clerk; Everett Grecian, high school senior; Sarah Starkweather, domestic science chef; Olive Kackley, who coached and dramatized the production, plays the part of Peg.

Last Wednesday evening Mr. and Mrs. W. L. Larabee and Miss Julia Blair entertained at the home of Mr. and Mrs. Larabee at a most pleasant and amusing April Fool Party. The guests all came in costume and wore masks, and many nationalities, knights, jesters and ladies were represented. A lively peanut hunt resulted in a prize for Mrs. Ernest Courtney. An amusing feature of the evening was an auction sale with J. H. Heckman as auctioneer. The articles which were revealed when their wrappings were removed caused no end of merriment. A mock initiation closely followed and each new candidate added much mirth to those who had passed through the ordeal. A mock menu on which every one "bit" brought the amusements of the evening to a close. Partners for refreshments were uniquely chosen by small vials of extracts, perfume, garlic and other sweet scented odors. After much careful "sniffing" the right people paired off. Salads, sandwiches, coffee, cakes and dessert were served in the dining room. A flash light photo was taken before the company departed. Those present were: Mr. and Mrs. J. H. Heckman, Mr. and Mrs. Walter Baker, Mr. and Mrs. S. J. Straw, Mr. and Mrs. Ernest Courtney, Mr. and Mrs. Ralph Piersoh, Mr. and Mrs. A. J. Heyl, Mr. and Mrs. Ray Ufford, Miss Margaret Swiggett, Miss Julia South, Miss Georgia Moore, Messrs. Arthur Cockrell, Cliff Baker, John Kirkner, Guy Jones and Dr. Miller.
